To whom it may concern,

Dr. Cecilia Chan has granted Wake County Public School System (WCPSS) permission to use her video, "Why Rubric and What is That" (2012) accessed on YouTube at <https://www.youtube.com/watch?v=RRSVXbD4gEs&t=5s> in our online professional development course, *The Fundamentals of Rubrics*. The video will be used for educational purposes.

The WCPSS course aims at providing an overview of different types of rubrics, their purposes and how to successfully create and use them with classroom assessments. The course is open to WCPSS teachers and/or district staff to enroll on a voluntary basis. The expected number of participants is unknown.

We look forward to producing positive results with the online professional development course. The course will be extremely useful for teachers in reflecting on their current practices in using rubrics in the classroom.

We appreciate Dr. Chan granting us permission to use her video.

Regards,

Sonya Stephens, Ph.D
